Why is wood important to Uralla?

For Our Homes

- ✓ It keeps us cosy and warm in winter
- ✓ It saves us \$ on our heating bills
- ✓ It is a self-sufficient way to heat our homes

For Our Community

- ✓ It supports our community groups with raffles
- ✓ It allows us to share with other households
- ✓ It helps us look after others with less

For Our Environment

- ✓ It provides homes for our beautiful wildlife
- ✓ It shelters our delicate native plants
- ✓ It keeps our paddocks healthy by recycling nutrients
- ✓ It reduces soil loss and gully erosion
- ✓ It stores carbon from the air and reduces greenhouse gases

It is important we balance these needs!
