

HOME ENERGY REVIEW TOOL

Yes, I understand the following things about the Z-NET Energy Review:

- that the Z-NET Uralla Energy Review will help me to identify things I can do in my home to be more energy efficient or to generate renewable energy.
- that the Z-NET Uralla Energy Review is an information service only.
- that the Z-NET Uralla Energy Review assessors are volunteers with the Z-NET Uralla project who do not have any formal training in energy assessments.
- that any costs I incur as a result of decisions I make by using the Energy Review report can not be claimed from Z-NET Uralla, its members or the Energy Review assessor.
- that the Energy Review will involve a visit to my home by two Z-NET Uralla volunteers who will need access to all rooms in my house in order to make a thorough assessment.
- that to produce the Thermal Imaging Report photographs of the inside of rooms in your house need to be taken.
- that the Energy Review will take approximately 1.5 hours and involve answering a series of questions that include questions to gather personal information.
- that Z-NET Uralla will use data gathered during the Energy Review to report on the community's progress towards reducing energy use and increasing the uptake of renewable energy.
- that Z-NET Uralla will not share your private or personal information with third parties.
- that Z-NET Uralla will not publish any personal information or photos/videos without your permission to do so.
- that Z-NET Uralla may use your contact information for other purposes, such as including your email address on a list to receive regular updates about the Z-NET Uralla project.
- that you can cancel the Review at any time.
- that you can lodge any concerns or complaints you have about the Energy Review or the Energy Review Assessors to the Z-NET Uralla CoOrdinator/Convenor.

The Energy Review and associated materials have been produced in good faith with all information contained deemed to be correct at time of production.
